3. Good Energy electricity supply details

You need to be a Good Energy customer to benefit from our HomeGen scheme. If you are not already, or you don't know your account number, please call us on **0845 456 1640** and we will get you started.

I am a Good Energy customer, and my account number is:

4. Good Energy electricity supply details

Please detail the technology type, installed capacity and date of installation, and the metering details for your renewable generator(s)

Meter(s) that Measure Total Generation						
Generator Number	Generator site name (No numbers or initials e.g. Smith-Solar)	Technology (Wind, Solar, Hydro, other)	Installed Capacity (KW)	Install Date (dd/mm/yyyy)		
1				DD	MM	YYYY
2				DD	MM	YYYY

Meter(s) that Measure Total Generation				
Generator Number	Meter Make	Meter Model	Meter Serial Number	Additional Information
1				
2				

How will you be using the electricity generated by your renewable generator(s)?
For electricity supply to a:

Domestic
 Domestic/Commercial
 Commercial
 Farm
 Industrial
 Not for profit
 School

I confirm that all the generation produced by the generators above is recorded using Ofgem accredited metering, and know that it is my responsibility to have the correct metering fitted at all times.

I confirm that there are no separate settlement export meter(s) installed by my previous supplier.

5. Connection agreement with your Distribution Network Operator

My Distribution Network Operator is

I confirm that I have complied with my Distribution Network Operator's regulations for grid connection

Please tick the box below which describes the connection agreement you have made with your Distribution Network Operator;

G83 Compliance for generators less than 16A per phase

G59 Compliance for generators greater than 16A per phase

Other Agreement please describe;

6. Installation Details

I confirm that I enclose a copy of an electrical schematic diagram of my installation (provided by your installer).

For hydro generation equipment only, we will also require an A4 map detailing the following;

- Location of the hydro generator, the dam/stream, the pipe work, the turbine housing, and the water outfall from the hydro turbine.
- Details of anyone who has owned the hydro-generation equipment before you or your company.

I can provide proof on request that my renewable generator is installed and operational at any time during this contract.

Please provide contact details for the installer(s) of your generation equipment in the table below;

	Generator Installer Details			
Generator Number	Company Name	Contact Name	Company Number	Contact email
1				
2				

7. Meter Reading

To start receiving HomeGen payments, please take a current meter reading from your total generation meter(s) and record the date of the reading. This should be taken when or after you become a Good Energy supply customer.

Generator										
Generator Number	Total Generator Meter Read(s)						Date of meter reading			
1	10k	1k	100	10	1	•	/10	DD	MM	YYYY
2	10k	1k	100	10	1	•	/10	DD	MM	YYYY

8. Marketing Information

How did you hear about Good Energy?	Good Energy Partner		Generator/ Customer		Ad/Leaflet	
	Press/TV/Radio		Website/Search Engine		Other	
Please specify how you heard of us:					e.g Magazine title / partner code / customer no.	

Good Energy supports over 650 independent renewable generators across the UK. To encourage more people to get involved with renewables we tell the stories of our generators using the images and information they send to us. If you would like to help Good Energy promote renewables through your story, please agree to the relevant statement below and we will be in touch to gather more information.

- I agree to allow Good Energy to use any statements and images that I may submit now or at a later date in Good Energy's marketing materials on the understanding that I can withdraw this consent at any time, and as such will no longer feature in any new marketing material.

9. Before you sign below please read and agree to these statements

- I confirm that the above information is correct and that I am authorised to sign the contract.
- I understand that I have signed a legally binding contract that consists of the information provided here and in Good Energy's Terms and Conditions for Renewable Generation.
- I confirm that I have the power to enter into, perform and comply with all of the obligations under this contract.
- I confirm that I will contact Good Energy in writing within 10 days of any changes to the information entered in this contract.
- I confirm that I have appointed Good Energy to act on the ROC and REGO registers on my behalf. I authorise Ofgem to act on information provided by Good Energy and that Ofgem is entitled to assume that this information is accurate and reliable and that any disputes that arise between me and Good Energy will be resolved between us. This arrangement will continue until Ofgem and Good Energy are told otherwise.
