

# Know your rights in a changing energy market

## Getting advice

It's easy to get free, independent advice about your energy supply. You might want to get a better deal, find out how to make a complaint, get advice about the quality of your electricity or gas supply, or ask for help if you're struggling to pay your bills.

## Reducing your bills

If you just want to pay less without switching supplier, there are lots of things you can do to save money, from making sure you are paying the lowest price to taking steps to reduce your consumption. You may be eligible for help from the Government to make your home more energy efficient and save money on your bills. Find out about the Government schemes.
