Eligibility: Existing Good Energy customers only, with an eligible Nov26 fixed tariff. Available for electricity, gas or dual fuel, with Direct Debit and credit meters only. A smart meter must be installed or fitted within 6 months, with half-hourly readings enabled once communicating. Customers must have an online account, valid email address and paperless communications. EV and Heat Pump tariffs are not eligible on their own; however, customers with an eligible gas fixed tariff can renew their gas only while retaining their existing 12-month time-of-use tariff. Any fuel not switched will remain on its current tariff.
